Introduction to Flower Arranging

Introduction to Flower Arranging

Campus: Rotherham College
Code: RACCL005#

About This Course

This course is suitable for beginners or learners with some previous knowledge. You will gain fundamental knowledge of floral art skills, best practice, placement, wiring, learning the terminology and applying the elements and principles of floral design.

What Will I Study?

You will create a topiary tree design using oasis, arranging mixed foliages and florals to form a pretty tree gift.

Why Study Here?

This course will give you a basic introduction to flower arranging acting as a stepping stone to more complex community or academic courses; and encourage family relationships and employment possibilities.

The course is delivered in a relaxed, informal setting encouraging you to develop your confidence as well as acquiring a new skill.

Entry Requirements

Interest in flower arranging
