T Level Transition: Education & Childcare (R08TP01)

Campus: Rotherham College

Code: R09TP01

Level: 2

About This Course

This programme will provide students with the knowledge, skills and behaviours required to progress on to our T Level pathway in Education and Childcare.

Students will develop skills for work readiness, access work related activity and gain an insight and core skills which relate directly to the Education and Childcare sector.

Students will complete employer set projects that link directly to industry and support each student to meet the national technical outcomes for their chosen occupation.

Students will benefit from links to our employer partners and gain an in depth understanding of the various job roles that are accessible to them upon completion of this pathway.

What Will I Study?

- Plan learning activities to support children's development
- Prepare environments for learning activities to support children's development
- Contribute to the assessment of children's development
- Develop strong digital literacy and aptitude with the latest technology
- Develop an awareness of special educational needs
- Gain an in depth understanding of the education and childcare sector

Why Study Here?

- Industry standard facilities for study and development
- Opportunities to link up with large employers in the local area who will support you to develop your skills
- Highly qualified industry specialist staff who will support you to achieve your goals

Entry Requirements

- Grade two in English and Maths
- A keen interest in working with Education and Childcare
- A positive attitude towards learning and progression
