

# Construction

## Electrical Installations

**Campus:** North Notts College - Worksop Campus

**Code:** W07SP04

**Level:** 2

### About This Course

This course, taught in our new purpose-built facility, will provide you with the hands-on knowledge and experience to start a career in the electrical industry. You will be encouraged to undertake a placement in the industry to gain a greater understanding of the trade in a real-life environment.

### What Will I Study?

You will study a range of topics including:

- Complex lighting circuits
- Radial and ring circuits
- Fitting consumer units
- Testing electrical circuits
- Terminating a range of electrical cables
- Employability and team work
- English and maths (if required)

### Why Study Here?

- You will learn in state-of-the-art facilities using industry-standard equipment
- We work in partnership with local businesses such as B&Q, South Electrical and A1 Housing
- You will attend industry competitions such as Skill Build, World Skills Competitions and the opportunity to take part in inter-college challenges
- You will be encouraged to take part in enrichment activities to support learning
- Carry out meaningful voluntary work that will help your CV within the local area
- Hear from a range of guest speakers from electrical companies and wholesalers

## Entry Requirements

- GCSE grade 4 or above in English and maths, or
- Level 1 Electrical qualification
- Initial diagnostic tests and an interview with a course tutor

## How To Apply

You can apply using our online application form and clicking the **Apply** button at the top of this page.

For more information support with your enquiry or application please contact Student Services by emailing [contact@nnc.ac.uk](mailto:contact@nnc.ac.uk) [<mailto:info@rotherham.ac.uk>] or by calling **01909 504500**.

## What Courses Can I Progress Onto?

- Level 3 Electrical Installation/Maintenance Technician Apprenticeship
- Short industry-standard courses

## Tuition Fees

Those aged 19 or over may not need to pay fees depending on their circumstances. Find

out if you qualify for help with fees [<https://www.nnc.ac.uk/information/student-support/finance/course-fees/>].
