

Health and Science

GCSE Biology

Campus: North Notts College - Worksop Campus

Code: W08SP01

About This Course

A GCSE in Biology could open the doors to a whole number of other courses and careers. Universities are increasingly asking for a Science GCSE as one of their entry requirements so a GCSE in Biology could be just what you need for your next step. During the course you will study various topics including, cellular, animal and environmental biology and carry out a number of required practicals that will provide you with all you need for the exams.

What Will I Study?

- A range of Biology topics
- Developing scientific thinking
- Experimental skills and strategies
- Mathematical analysis and evaluation
- Scientific vocabulary, quantities, units, symbols and nomenclature

Why Study Here?

- You will learn in our dedicated science labs
- Our highly qualified and skilled staff are industry specialists and have several years' experience delivering GCSE courses

Entry Requirements

GCSEs in English and maths at grade D or above.

How To Apply

You can apply using our online application form and clicking the **Apply** button at the top of this page

For more information support with your enquiry or application please contact Student Services by emailing contact@nnc.ac.uk [mailto:contact@nnc.ac.uk] or by calling 01909 504500.

What Courses Can I Progress Onto?

Further study is very much dependent on your other qualifications but many of our students go on to study further education or higher education programmes such as:

- Health and Social Care
- Animal Management Studies
- Forensic Studies
- Nursing and Midwifery
- Biomedicine
- Biochemistry Engineering
- Education

Tuition Fees

Those aged 19 or over may not need to pay fees depending on their circumstances. Find out if you qualify for help with fees.

If you need further advice or guidance please contact the Enquiries Team on 01909 504500.

Additional Information

Students would benefit from purchasing the new AQA GCSE Biology revision book, however this is not essential.

PLEASE NOTE

We make every effort to ensure information within our online course directory is accurate and a true representation of the courses we are offering in 2025-26. However, we do reserve the right to make changes if necessary..
