Lead Adult Care Worker Apprenticeship

Campus: Rotherham College

Code: RFEHS006

Level: 3

About This Course

Working in residential or nursing homes, domiciliary care, day centres or some clinical healthcare settings; Lead Adult Care Workers are frontline staff who work with adults with care and support needs to achieve their personal goals and live as independently and safely as possible, enabling them to have control and choice in their lives.

You will have responsibility for providing supervision, frontline leadership, guidance and direction for others, or will work autonomously, exercising judgement and accountability.

You will be instrumental in improving the health and wellbeing of those receiving care and support.

What Will I Study?

You will study a range of topics including:

- Job Role, Tasks and Responsibilities
- Values, Behaviours, Respect, Dignity and Human Rights
- Communication
- Safeguarding
- Health and Wellbeing
- Professional Working and Development
- Behaviours including the 6Cs: Care, Compassion, Courage, Communication, Competence and Compassion
- Effective Handling of Information in Care Settings
- Personal Development in Care Settings
- Person-centred Approaches in Care Settings
- Equality and Inclusion
- Duty of Care in Care Settings
- Promote Safeguarding and Protection in Care Settings

Why Study Here?

- When you study with us you will be taught by staff with a wealth of experience from the sector. They will support your professional development
- The course is delivered via blended learning, online, and face to face within groups and on a one-to-one basis
- Attending College will give you the opportunity to share best practice and your experiences with your peers
- You will be given access to all College facilities, including our enrichment programme, and will be issued with a Student card
- You will work with employers to gain hands-on experience in the Adult Care sector and earn a salary while you learn
- You will learn new Knowledge, Skills and Behaviours and be able to transfer these skills into your working practice
- Access to a highly qualified Functional Skills team that will provide any support you need with your English and Maths

Entry Requirements

- No formal entry requirements
